FINANCIAL PLANNER, INSPIRED FINANCIAL

“Infuse your life with action. Don’t wait for it to happen, make your own future.”

Maria Castillo Dominguez is a Financial Planner and the latest addition to our team. She is originally from Spain and moved to the United States in 2010 after obtaining a Bachelor’s degree in Business and Master’s degree in Finance from the University of Sevilla. Maria is currently enrolled in the Certified Financial Planner™ education program through UCI.

Maria has over ten years’ experience in operations, compliance, personal banking and personal finance. She became interested in personal finance after she moved to the United States and realized the potential for helping others improve their lives. Maria most recently worked as a Financial Consultant with TD Ameritrade before transitioning to our firm.

Maria and her husband Brandon enjoy their free time hiking with their dog Lola, travelling, and spending as much time as they can at the beach.

Fun Facts:

- As a typical southern Spanish girl, I can dance flamenco and play castanets.
- My favorite hobby is travelling and going on new adventures. I have ridden a camel in the Sahara Desert and snorkeled with sea turtles in Hawaii, to name a few.
- I am a dog lover! I volunteer at dog shelters any time I can, and every dog I have had has been rescued from a shelter.
- I enjoy multicultural environments, and I am proud to say I have made friends from all over the world.
