

Mark L. Prendergast, CPA, CFP®, CDFA™

DIRECTOR OF TAX STRATEGIES, INSPIRED FINANCIAL

“I’m a problem solver and pride myself on my ability to recognize tax nuances, evaluate complicated estate and tax planning issues and provide sensible easy-to-understand solutions that fit each unique client situation. 95% of financial planning has tax implications, and most wealth management firms do not have the estate and tax horsepower that we have at Inspired Financial.”

Mark Prendergast has over 35 years of experience in tax, estate and financial planning. He started his career in 1979 at Ernst & Whinney and then joined Price Waterhouse in 1982 and acquired his Certified Financial Planner™ designation in 1988. He regularly teaches on income tax, estate and divorce topics at professional conferences (FPA, NAPFA, CalCPA, WealthCounsel, Institute for Divorce Financial Analysts).

Mark served on the national Board of Directors for the Financial Planning Association from 2011-2013, and currently serves on the Advisory Board for The Center for Investment and Wealth Management at UCI. His service for the Financial Planning Association includes board positions and committee work for two local chapters, and at the regional, state and national levels. He has served on the Editorial Review Board for the Journal of Financial Planning (2002-current).

Over his career, Mark has served many roles in non-profit organizations, including the Board of Directors for New Life for Girls (women’s recovery home), The Birthing Center (birthing advocacy group), Valley Christian Center (church), and Fresno New Connections (a substance abuse clinic).

Mark is married to Evelyn Zohlen, and they truly enjoy life’s adventures together from work-to-travel-to-Disney and beyond! They miss their three adult children who live too far away for his pleasure: Alison (MBA), Josiah (JD), and Martha May (RN/MSN), all successfully launched in their careers.
