CLIENT SERVICES ASSOCIATE, INSPIRED FINANCIAL

“People will soon forget what you said. They will NEVER forget how you made them feel.” – Dr Maya Angelou

Carol Bobke is an Associate on our Client Services team. As part of the team, she ensures all our clients’ operational needs and requests are handled efficiently, securely, and accurately. She brings decades of customer service and volunteer leadership to her role and particularly enjoys helping clients resolve tough challenges.

She was born and raised in Denver, Colorado, with a short stint in San Antonio, Texas. She received her bachelor’s degree in English from the University of Colorado at Boulder. After all those years in the snow and cold, she moved to California for the sun and ocean. She has been an Orange County resident now for almost 30 years.

Carol comes to Inspired Financial after 9 years as the Chapter Executive for the Financial Planning Association of Orange County (among the largest and most successful chapters in the nation) and the Financial Planning Association of California. She has a real passion for women’s leadership development and has been active in organizations such as Girl Scouts and Mothers of Preschoolers (MOPS) with a particular focus on elevating women and girls.

She and her husband, Dan, are big Dodger fans and enjoy spending time with their three terrific adult kids (and a pretty amazing daughter-in-law!).

Fun Facts:

- One year in college, I ran the annual CU Trivia Bowl, the largest non-athletic event on campus. It was a week full of pop culture, smart contestants, and fun times.
- I am our family’s amateur genealogist and family history enthusiast. I can get lost in our family tree for hours on end, and I enjoy meeting distant cousins from across the world.
- If I have a couple of hours to myself, you can usually find me walking the trails near our house listening to a favorite audio book.
